

## VUES DU SITE

Photo 1 – Vue rapprochée – Avril 2022

A photograph showing a close-up view of a large pile of debris and waste behind a green metal fence. A large, leafless tree stands in the foreground on the right, and a road curves around the debris area. The sky is blue with white clouds.

Photo 2 – Vue éloignée – Avril 2022

A wide landscape view from a road. In the foreground, a paved road with a black curb runs horizontally. Beyond the road is a grassy field with several young, bare trees supported by green stakes. In the background, a large industrial facility is visible, featuring a prominent red-and-white striped chimney and a large yellow cylindrical tank. The sky is filled with heavy, grey clouds.
