Detailed description: The table provides a detailed elevation profile across six segments. Segment 1 (TN) starts at 326,01m and ends at 325,51m. Segment 2 (Substitution) starts at 325,51m and ends at 325,45m. Segment 3 (Projet) starts at 325,45m and ends at 325,15m. Segment 4 (TN) starts at 325,15m and ends at 325,10m. Segment 5 (Substitution) starts at 325,10m and ends at 325,40m. Segment 6 (Projet) starts at 325,40m and ends at 325,37m. Segment 7 (TN) starts at 325,37m and ends at 325,39m. Segment 8 (Substitution) starts at 325,39m and ends at 325,09m. Segment 9 (Projet) starts at 325,09m and ends at 325,41m. Segment 10 (TN) starts at 325,41m and ends at 325,41m. Segment 11 (Substitution) starts at 325,41m and ends at 325,41m. Segment 12 (Projet) starts at 325,41m and ends at 325,47m. Segment 13 (TN) starts at 325,47m and ends at 325,55m. Segment 14 (Substitution) starts at 325,55m and ends at 40,00m. Segment 15 (Projet) starts at 40,00m and ends at 325,55m.
